

# VMware Software License Activation Code Certificate

---

This certificate entitles the owner to a license of the following Product or Service:

**Important:** This product must be installed and used only on x86 hardware manufactured by Lenovo

See next page for list of products

Go to <https://www.vmware.com/oem/code.do?Name=LENOVO-AC> to activate your Software License Activation Code. You must follow the instructions on this Activation Portal to receive your VMware license. When you complete the activation, you will receive License and Subscription confirmation e-mails with instructions on how to access your My VMware License Portal to view and manage your licenses.

At the Activation Portal, you will be instructed to enter the following activation code

See next page for list of activation codes

---

## Technical Support

For technical assistance please visit

<http://datacentersupport.lenovo.com/us/en/>

## VMware Software Subscription Services

VMware will provide the Software Subscription Service that has been sold with this software license. Entitlement to Software Subscription Services is accomplished through the activation code registration process. Software Subscription Service is defined and provided under the VMware Premium Support Programs and Subscription Services Terms and Conditions, posted on VMware's web site at

<http://www.vmware.com/content/dam/digitalmarketing/vmware/en/pdf/support/vmware-support-terms-conditions.pdf>

Program Updates and Upgrades (as defined in the Service Terms) will be provided to you directly by VMware for the duration of the Subscription Service Period you purchased. VMware will contact you for subsequent years of Software Support and Subscription Service

**VMware software will be available for download following registration of the activation code.**
